

THE BLACK SASH

DIE SWART SERP.

To all Regions.

Circular No. 19.

Estella House,
47a Main Road,
Claremont,
CAPE.

14th August, 1959.

At the National Council in June 1959 Southern Transvaal invited Regions to Johannesburg for the next National Conference. It was agreed to hold this in the first week of November and S. Transvaal were agreeable to the Conference starting on Monday 2nd November and continuing for two more days i.e. 3rd and 4th November, and that a National Council meeting would take place on the 5th November.

Please consider these dates and let the C. E. know (and S. Transvaal at the same time) whether they suit your Region.

The C. E. asks Regions whether they have been able to enquire into what is happening in their areas with regard to Pass Laws and Farm Labour.

Mrs. Berman requested that the following circular be sent to Branch Chairs., The C. E. asks Regions to try to comply with her request.

TO BRANCH CHAIRS., Mrs. Berman would be grateful if Branch Chairs., would send head and shoulder glossy print photographs of themselves, plus short biographies for publication in the Magazine. As she is running short of articles and news of Sash activities, Branch Chairs., are urged to send in material as soon as possible. Once again it is requested that a magazine correspondent be appointed in each Branch. Will Branches please send Mrs. Berman copies of their Minutes or preferably special reports for the magazine.

The C. E. reminds Regions that they were asked to call a General Meeting of members to discuss what attitude to adopt and what activities, if any, the Sash should undertake in May 1950 on the 50th Anniversary of Union, in order that ideas and views of your Regions can be put forward at the coming National Conference.
