47a Main Road,
CLAREMONT. Cape.
South Africa.
25th. April, 1960.

Publication of our magazine, "The Black Sash", has been voluntarily suspended until the lifting of the emergency regulations. The Central Executive apologises to all subscribers. Paid-up subscriptions will be carried forward when publication of our magazine is resumed.

A book - "South Africa - The Road Ahead"- which has been compiled by one of our Vice-Presidents, Mrs. Hildegard Spottiswoode, as part of the work of The Black Sash, and published by Howard Timmins, will be on sale after the middle of May. We recommend it to all readers of our magazine.

Sash members are urged to order copies in advance through their Branch Treasurers or their Regional Councils.

Barbara O'Neil
HON. TREASURER.
