NATIONAL PRESIDENT.

Letter 56.

Main Street,
NEWLANDS. C.P.

30th January, 1961.

The Editor,
The Cape Argus and Die Burger,

CAPE TOWN.

Dear Sir,

With the introduction of the Constitution Bill, the Black Sash wishes to take the opportunity of pointing out that in its view, whether South Africa is a monarchy or a republic, our present constitution has proved inadequate to safeguard the rights of all. The Black Sash will, therefore, continue to work for a new constitution that will safeguard the basic rights and liberties of all South Africans, and make inviolate the rule of law.

Yours faithfully,

NATIONAL PRESIDENT.
