

# 2 KRUISPAD

## Waarom bestaan daar 'n Kruispad in die duine net buite Kaapstad?

- ★ Omdat die Regering sedert 1966 weier om gesinsbehuising vir Swartes in Wes-Kaapland te voorsien.
- ★ Die Regering het Wes-Kaapland tot Kleurling-voorkeurgebied verklaar.
- ★ Maar Wes-Kaapland het Swart arbeid nodig.
- ★ Die aanvraag vir trekarbeiders het tussen 1966 en 1975 3½ keer toegeneem.
- ★ 73% van manlike en 25% van vroulike loontrekkers in Kruispad is werknemers in die ekonomie van Kaapstad.
- ★ Hierdie Swart werkers het hul onnatuurlike bestaan in hostelle vir mans verwerp en Kruispad toe getrek waar hulle tuistes vir hul gesinne opgerig het.
- ★ Daar woon 20 000 mans, vrouens en kinders in Kruispad.
- ★ Hulle is van een plakkerdorp na die ander uitgestoot.
- ★ Nou het hulle die lelike plakkershuisies warm en gerieflik ingerig.
- ★ Die inwoners van Kruispad is 'n hegte gemeenskap. Volgens Kol. J. H. Vorster, Kommandant, Athlone, hulle is wetsgehoorsaam. (R.D.M. 15.9.78)
- ★ Al wat hulle vra is 'n normale gesinslewe naby hul werkplek.

As hy die Eerste Minister was het Mnr. B. J. Vorster gesê:

**"'n Man se huisie moet hom nie ontnem word nie.  
'n Mens hoef nie te dink hy sal ongestraf bly as hy  
'n man van sy vaderland vervreem nie."**

- ★ Nou gaan Kruispad gesloop word.
- ★ Waarheen moet die inwoners gaan?

DIE TRANSKEI WIL HUL NIE HÊ NIE!  
DIE CISKEI WIL HUL NIE HÊ NIE!  
WES-KAAP WIL HUL NIE HÊ NIE!  
WES-KAAPLAND WIL SLEGS HUL ARBEID HÊ!

Ons sal almal die prys moet betaal vir hierdie onmenslikheid.

# CROSSROADS

## Why is there a Crossroads in the sand dunes outside Cape Town?

- ★ Because since 1966 the Government has refused to build family housing for Africans in the Western Cape.
- ★ The Government has declared the Western Cape a Coloured Preference Area.
- ★ But the Western Cape **NEEDS** African labour.
- ★ The need for migrant workers has increased 3½ times between 1966 and 1975.
- ★ 73% of the men and 25% of the women wage-earners in Crossroads are employed in the economy of Cape Town.
- ★ These African workers have rejected their unnatural life in 'bachelor' hostels and moved to Crossroads, where they have built homes for their families.
- ★ There are 20 000 men, women and children living in Crossroads.
- ★ They have been bulldozed from squatter camp to squatter camp.
- ★ Now they have established homes, comfort and warmth inside their ugly shacks.
- ★ The people of Crossroads are a close-knit community. According to Colonel J. H. Vorster, Commandant for Athlone, they are law-abiding. (R.D.M. 15.9.78)
- ★ All they ask is to live a normal family life near their place of work.

As Prime Minister Mr. B. J. Vorster said:

**"You must not take a man's home away from him.**

**You must not even think that you will go unpunished if you estrange a man's fatherland from him."**

- ★ Now Crossroads is to be destroyed.
- ★ Where are the people to go?

**TRANSKEI DOES NOT WANT THEM!**

**CISKEI DOES NOT WANT THEM!**

**WESTERN CAPE DOES NOT WANT THEM!**

**IT ONLY WANTS THEIR LABOUR!**

**We will all pay the price for this utter contempt for humanity.**
