

THE BLACK SASH. CAPE WESTERN REGION.

4, Oakdale,
Main Street,
Newlands. C.P.

Telephone: 6-6827.

As you all know, we are constituted to upholding people's rights and liberties and are dedicated to bringing about the reform of those laws which oppress our fellow citizens. As time passes, more and more oppressive legislation is being put into force and we are grimly aware of the growing resentment and resistance among non-Whites. Therefore, while valuable work is being done by us, we consider it imperative that we should intensify our efforts to bring about the changes without which we cannot have good government in our country.

At a meeting of Branch Chairs it was decided that all members should be approached and given the opportunity of participating more actively in Sash work. Will you help us to increase our activities and to relieve the burden on those at present shouldering more than they can reasonably be expected to undertake? We sincerely hope that those of you who have been silent sisters or comparatively inactive will feel able to respond to this special approach.
